Week 3, Term 4, Thursday 23rd October 2014

## NEWSLETTER

### Principals Report

In the last few weeks the school has started working on the next three year School Planning Document. This provides a great opportunity to consider what Inverell Public School stands for and how we can work together to identify our high priorities for providing a well-rounded education for every student.

As part of this process the school has been developing a statement that will underpin decision making, program design and resource allocation. This will ensure that choices are made from a consistent platform and will align with definite goals for our graduates.

I have been working with staff and a group of community members to try and develop a clear vision of our priorities for our students.

There has been detailed consideration of the wording of the statement and extensive discussion about the message the statement is sending. It reads like this.....

*"Inverell Public School's mission is to engage students in high quality teaching and learning environments to inspire and challenge each student to realise their full potential.*

*All students will embrace a variety of educational opportunities and pursue excellence by taking ownership for their learning and developing effective problem solving skills.*

*Our students will be literate and numerate and they will become creative, reflective learners and thinkers.*

*Staff and students will be committed to providing opportunities for growth and success through the application of social and emotional learning. This will facilitate cohesive, interactive relationships within the school community.*

*We aim for our students to be confident lifelong learners who will be responsible citizens in a rapidly changing 21<sup>st</sup> century. "*

The statement is still in a draft form. Please don't hesitate to make suggestions. Your input will be appreciated and carefully considered as part of the planning process.

*Robyn*

Mrs Robyn Stewart  
Principal

### New Staff for Term 4

My name is Mrs Kim Butler and it is with great excitement that I have taken on the position of Instructional Leader, Literacy and Numeracy at Inverell Public School. In this role I am often present in K-2 classrooms, working directly with teachers and students. In this way teachers have access to high quality professional learning so that they can ensure tailored learning support for all students. I look forward to working closely with staff to achieve the best learning outcomes possible for the children at Inverell Public School.

### Dust Jacket Book Fair

Where : Inverell Public School Library

When: Friday 31st October - Family Fun Day

Time: 9:30am – 1:30pm (before & after concert)

Please come to the library Book Fair at Family Fun Day. There will be a wide variety of great books for sale. Proceeds from the fair will be used to purchase new books for our Library.

### Grandparent Photos

Infant students are being asked to bring photos of their Grandparents to school. The photos will be on display at the Grandparents Day Concert. We will take great care of your photos, copying them for the display and then returning them to you as soon as possible. Please clearly label your photos with your child's name and class.

### Family Fun Day Fete

Friday 31st October 2014

We are asking for your assistance with items for our fete, preparing plants for the plant stall, making craft items and collecting items for the white elephant stall. Any unused items would be greatly appreciated. This is a great way to support the Inverell Public School P & C. We hope you can save the date and come join us for a great day of fun. We would also love any parent helpers who are able to run stalls and novelty events.

## *Choir and Percussion Celebration at Inverell Public School*

Mums, Dads, Grandparents and Friends are invited to attend

### **Grandparents Day Concert Friday 31st October 2014**

**Starting at 10am in the school hall**

Please join us for Morning Tea after the concert  
and Family Fun Day commencing at 11:30am
