Crossing Safety

Your children are very precious. Each afternoon caring teachers guide students across the road to make sure they reach the other side safely.

As you can imagine, traffic is quite heavy at this time.

When young children see a teacher on the crossing, they assume that it is safe to cross and may not look for cars before darting onto the road. Please remember that it is the law that you stop when anyone is on the crossing, even if they are on the other side of the road to you. The children and staff would really appreciate your assistance in this to keep our children safe.

Successful Writers

We are extremely excited to announce that eleven of our Year 3/4 students have reached the final round of the Write4Fun Writing Competition. Each student has worked extremely hard on their stories and have achieved amazing results. To add to the excitement, each student will have their story published in a book! On Friday the 16th of October at 10am, our wonderful writers will read their stories to their parents and community members in a special presentation.

Congratulations to our Authors: Courtney Wilson, Fergus Quartly, Matthew Reece, Hannah Mills, Sophie Draycott, Ash Perkuhn, Kyle Cochrane, Lilliana Connors, Ashlen DeWitt, Claire Gleeson and Tobin Collins.

P&C Meeting- GET INVOLVED!!!

Support your children and their school. P & C meeting will be held at 6.30pm **tonight** in the staffroom. All parents and carers welcome.

Grandparents Grand Day and Family Fun Day

This year our Grandparents Grand Day and Family Fun Day will be on **Friday 30th October**. Planning for this day is now underway.

It's time to start preparing plants for the plant stall, making craft items and collecting items for the white elephant stall. Any unused items would be greatly appreciated. This is a great way to support the Inverell Public School P & C. We hope you can save the date and come join us for a great day of fun. We would also love any parent helpers who are able to assist with stalls and novelty events.

Please call 67223072 if you are able to assist.

Lunch orders for the whole family are due back to the canteen by Monday 26th October.

Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$69 for school-aged children and \$49 for preschoolers (prices exclude pool entry fee).
