What's Happening at IPS?

The students have been learning and taking part in a wide range of activities over the last week.

These include our leaders representing our school at a formal occasion (left).

NRL Ambassadors talk with ex players Mario Fenech and Shaun Timmins (right).

The Shine and Strength Program continues with students learning valuable life skills (left and right)

Year 6 to 7 transition students were excited to take part in Macintyre High's Science and Ag classes (left and right).

Students from K-6 were entertained by three wonderful musicians, Bobby Wigg on piano and Wendy Champion and Gerard Larkins on flute. The piece they played was "Andante and Rondo" by Franz Doppler. The children were then given the opportunity to ask questions of the musicians and some were even lucky enough to have the opportunity to try to make a sound with the flute mouthpiece (left and above).

Zone Swimming Carnival

On Wednesday 18th February a group of IPS students competed at the Inverell Zone Carnival. Swimmers also travelled from Walcha, Bingara, Delungra, Ross Hill, Ashford, Tingha, Gilgai and Bonshaw. We were very successful in the 9 years 50m freestyle event with IPS taking out 1st, 2nd and 3rd. All swimmers tried really hard and had a fun day with lots of students swimming PB's.

Charlie Grills and Poppy Price were named Junior Runner Up Zone Champions. Thank you to all the parents and carers who came to support us on the day. Successful students will now travel to Armidale on 3rd March to represent Inverell at the Regional Carnival.

When I lay my hard head on my soft pillow and I dream of love, life, friends and laughter.

It's like a fairy tale.

I am about to fall asleep, so I pull my blanket up over my head and cuddle my teddy. Teddy and I watch the stars wakeup and I drift off to sleep.
