Teddy Bears Picnic

Kindergarten welcomed local preschools to our school on Wednesday to share in our Teddy Bear's Picnic. Together they enjoyed singing, dancing and parading their special bears, along with a picnic lunch.

Winnie the Pooh joined in the festivities, leading the teddy parade and demonstrating dance moves for the children.

Year One and Two students brought their teddies along at 11:30am for their picnic lunch and joined in with singing and dancing with our cheeky Winnie the Pooh.

Early Birds Transition 2016—Save the Date!

Inverell Public School will be running the Early Bird Program in Term 3 and Term 4 2016, for those families who are interested in enrolling in Kindergarten at Inverell Public School for 2017. The program will run from 12-1pm fortnightly on Tuesdays, Wednesdays and Thursdays beginning on **Tuesday 9th August**.

Further information will be available in next weeks newsletter or please contact the front office on 67223072.

Spotlight on 1T

Over the course of this term, 1T have been working on their writing stamina. It has been great to see everyone giving their best efforts in our writing sessions and this is evident from our writing wall. Credit must go the students for wanting to better themselves each time we put pencil to paper. Well done, 1T.

Debating

On Wednesday 22nd June, two teams of skilled debating students competed against Ross Hill in round three of the Premiers Debating Challenge. Sadly we came second in both debates but it was a great day and a very enjoyable experience for all. We are improving greatly with each debate. Our topics this round were—

Year 5, "Children should have to perform 2hours of charity work each week".

Year 6, "Children should have to work one afternoon per week".

We would like to thank Mrs Collins and Mrs King for taking the debating teams to Ross Hill.

Shine Program

Our senior girls went out for afternoon tea last week to celebrate the conclusion of the "Shine" program. The girls were accompanied by Mrs King, Miss Stacey, and Mrs Dekkers. The program encompasses self worth, self esteem and achieving our full potential. The girls thoroughly enjoyed this program and would like to thank Mrs King and her group of helpers for running this valuable course.
