Year 4 returns from Copeton dam

Friday 28 Last day Term 3

Principal's Report

Our P&C are an integral part of our school community, continuously giving their time and efforts to support all of our students and families. This week's Father's Day stall is another key element in their fundraising activities and enables all students to purchase low cost gifts for their Dad's.

Our primary students in Stage 3 have been offered the opportunity to go on the major excursion to Lake Burrendong and these activities take a tremendous amount of organisation and staff commitment, whilst providing an enriching and enjoyable week away for students. Please ensure you have completed all the required medical and permission forms as advised by the school.

These camps are run by Sport and Recreation and information provided assists them with activities, meal plans and medical requirements. Students who are not attending the excursion will be doing a range of activities at school to ensure that they also have a fun week with an in school incursion. Happy Fathers day to all our Dad's, Grandfathers, Pops and Carers for this Sunday.

Mrs Ally Campbell (Relieving Principal)

Touch Football Gala Day

Last Tuesday, 40 year 3-6 students went to the Sports Complex for our annual Touch GALA Day. The students were outstanding, displaying sportsmanship and pride in their school. They played different schools from the Inverell area and scored some fantastic tries! Well done to all our the students who participated -our school is very proud!

Breakfast Club

Thank you to all of our families and friends who have donated breakfast items to the IPS Breakfast Club. Breakfast Club continues to provide a nutritional breakfast for all students who finds it difficult to have breakfast before leaving home.

Stage 3 Science

Years 5 and 6 Science unit covers the 3 states of matter:- solids, liquids and gasses. 5/6P students were investigating the properties of gas when conducting this experiment by immersing a balloon attached to a bottle in hot water.

Spotlight on 3B

3B have been very busy this term learning about Fairy Tales and Natural Environments. We have been exploring fairy tales by Hans Christian Anderson and Brothers Grimm to compare their different writing styles. After learning about Jack and the Beanstalk, we planted our own 'Magic Beans' and are watching them grow! Our math task for the term is to create our own

National Park by buying different plants, animals, attractions, employing staff and designing our map. We cannot wait to explore Copeton Dam to finish off our term.

Book Week Parade

What an fabulous day we had celebrating Book Week 2018, last Wednesday. Our students & staff explored the 'Find Your treasure theme, with so many creative costumes being paraded. Classes buddied up to share a story time session together after the morning's parade. Thank you to parents and carers who helped on the day and for the fantastic costumes.

INVERELL PUBLIC SCHOOL

Early Birds Transition Program

Our unique transition program will provide your child with positive and nurturing early learning experiences, supporting your child to:

- develop important social and emotional skills
- explore and engage in their school environment
- build upon early literacy and numeracy skills
- gain confidence for a smooth transition to Inverell Public School in 2019

Commences Tuesday 14th August 2018

Term 3	Term 4
14 th , 15 th , 16 th August	23 rd , 24 th , 25 th October

11 th , 12 th , 13 th September	20 th , 21 st , 22 nd November

You are welcome to arrange an appointment to visit our school and speak with one of our Kindergarten teachers. We hope to assist you in making the best choice for your child's education.

Phone: 6722 3072

Early Birds has Begun!

The IPS Early Birds transition program has begun for 2019 Kindergarten students and continues this week. The Early Bird students enjoyed the bus trip from their pre-schools and participated in activities with a magical theme, singing, craft, creative stories and becoming familiar with our school. Please call the office on 67223072 if you would like your child to participate.
